CLUE 11 – It takes lots of wood to keep my fire burning. I also have a big marking on the front of my body; hint – it's a number. Can you guess who I am?

CLUE 9 – During my working life on the Victorian Railways, I was used to carry all sorts of things, with my most exciting cargo being explosives!! What am I?

CLUE 6 – Despite my name, I am actually mostly yellow in colour. Fun fact about me: I worked in the first factory to produce high explosives in Australia! Which locomotive am I?

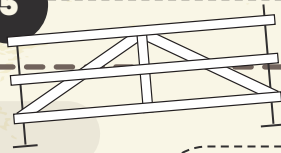

6

CLUE 7 – We're teeny-weeny in size and were carefully handmade to look like Victorian Railways trains. What are we?

CLUE 5 – I'm the solution to controlling crowds and keeping visitors safe when it gets very busy on the station platform.
