

PUFFING BILLY GROUP OUTINGS

If memories are the best souvenirs, then exploring regional Victoria on board one of the finest heritage steam railways in the world will ensure plenty of memorable moments to bring home. The journey aboard Puffing Billy takes you through the magnificent Dandenong Ranges, located only one hour east of Melbourne.

RECOMMENDED JOURNEY

BELGRAVE TO LAKESIDE

Departs Daily

1 hour each way | Allow 3.5 hours

Journey from Belgrave and pass through the southern reaches of the beautiful Sherbrooke Forest before travelling over Puffing Billy's most famous landmark — the iconic Monbulk Creek trestle bridge. With lush fern gullies brushing past and Mountain Ash trees towering overhead, travel through the temperate rainforest to Lakeside, the highest station on our mountain track.

Nestled in the scenic surrounds of Emerald Lake Park, the new Lakeside Visitor Centre combines the natural surroundings with the authentic sights, smells and sounds of the railway to offer guests a cultural hub with world class facilities. From simple walks and bicycle trails to birdwatching or a shared meal alfresco style, the Lakeside Visitor Centre is the perfect way to get out in nature and spend quality time with friends and loved ones.

With a private function room, expansive café and alfresco dining area, the Lakeside Visitor Centre offers unique places to meet, learn and celebrate.
