

PUFFING BILLY RAILWAY

SENIORS PACKAGES

AVAILABLE AT THE LAKESIDE VISITOR CENTRE RAILWAY CAFE

Indulge in a relaxing dining experience at the Lakeside Visitor Centre's Railway Café, ideal for enjoying a delicious midweek meal with your favourite people.

Discover the intertwined history of Puffing Billy Railway and the Dandenong Ranges inside the Great Hall; home to a collection of expertly curated steam artefact displays, including a replica of Puffing Billy Railway's first ever locomotive, 3A. With tall expansive windows that bathe the Lakeside Visitor Centre in daylight, why not take up the local tradition of waving good morning as Puffing Billy steams past? Afterwards, venture outside to Emerald Lake Park, home to both native and exotic plants, with fern gullies and open eucalypt forests.

Packages available for groups of 20 or more, visiting between 9am – 3pm Monday – Friday. Prebookings essential.
